Dear Parents / Carers

After a very good response from our latest survey, Rising Stars Wrap-Around Clubs will now be providing a new wraparound Childcare service from September onwards at Long Meadow School alongside our holiday Wrap-Around Clubs.

Bookings can be made from the 14th of July 2021 using our 'Magic Bookings' system.

<https://risingstars.magicbooking.co.uk/Identity/Account/Login> Please consider that it initially takes a short time to register your children on to the system and approve our policies and procedures before you can book your venue and dates.

More details about what our club will be providing can be found on the flyer attached. We are really looking forward to seeing your children in September and working with the school and their families in another role.

Kind regards

Nick Webb  
Managing Director  
Rising Stars Wrap Around Clubs Ltd.
