BIKEABILITY

 Department
for Transport

 get cycling

 **MK**
miton keynes council

- Bikeability is the National standard for cycle training and is split into three levels, we initially train to Level 1 and 2 . Bikeability Level 1 is a playground based session (lasting 1 - 1.5 Hrs.) which enables us to evaluate the children prior to progressing to Level 2. Once completed we progress to Level 2 (approx 6.0 Hrs. in total) which is then undertaken on the local roads and Redways in the schools vacinity and is aimed at enhancing skills and building confidence in areas where the children would normally ride.
- All participating children should be able to ride and have access to a bicycle with two brakes and helmet. We do allow single gear BMX style bikes but they must be fitted with two brakes. The wearing of helmets is compulsory on all of our courses.
- Dates: 30th October - 1st November
- Cost: Approx £5/6
- Letters to follow to express interest

HOME LEARNING

- Activities each half term – choose the ones you would like to complete
- Given out Fridays - due in Wednesday.
- Ideally one piece to be completed each week.
- Completed in Home Learning books or emailed in

homework@longmeadow.milton-keynes.sch.uk

- Continue to read at home...note in diary
- Doodle little and often – ‘Extras’ are set from time to time to help consolidate learning or if there is a specific area your child needs to focus on.
