Long Meadow School Pupil Premium Policy

1. Aims

This policy aims to:

- **Provide background information** about the pupil premium grant so all members of the school community understand its purpose and which pupils are eligible
- Refer to **how the school will make decisions** on pupil premium spending
- **Summarise the roles and responsibilities of those involved** in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the pupil premium allocations and conditions of grant guidance 2023 to 2024, published by the Education and Skills Funding Agency (ESFA). It is also based on guidance from the Department for Education (DfE) on virtual school heads' responsibilities concerning the pupil premium, and the service premium.

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so they can reach their full potential.

4. Use of the grant

At Long Meadow school, our use of pupil premium aligns with the 3-tiered approach described in the EEF's pupil premium guide. The DfE says your activities must be those that:

- Support the quality of teaching, such as staff professional development;
- Provide targeted academic support, such as tutoring; and
- Tackle non-academic barriers to academic success, such as attendance, behaviour, and social and emotional support

Our use of the pupil premium and activities align with the DfE's 'menu of approaches'.

Our 3-year Pupil Premium statement:

- Considers the context of the school and the main challenges or barriers your disadvantaged and vulnerable pupils face, and lists some of these if appropriate
- Uses evidence, such as learning from what works in our school, to inform our decisions on pupil premium spending
- Addresses a wide range of needs, and takes group and individual needs into account
- Engages with parents/carers to take their views on their child's needs into account
- Makes sure the school uses its pupil premium as effectively as possible
- Integrates pupil premium interventions into the curriculum

- Makes sure all staff promote the principles and ethos of the pupil premium strategy

Some examples of how the school uses the grant includes, but is not limited to:

- Providing extra 1-to-1 or small-group support
- Deploying a HLTA to offer individual support
- Providing extra tuition where needed
- Funding educational trips and visits

We will publish our strategy statement on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's [guidance on using the pupil premium](#) and using the templates on GOV.UK. Please refer to the statement for further information.

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils.

Eligible pupils fall into the categories explained below.

5.1 Ever 6 free school meals

Mainstream and special schools insert: Pupils recorded in the most recent October school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent October census.

This also includes pupils with no recourse to public funds (NRPF). The government has permanently extended FSM eligibility to include children in all households with NRPF.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

This includes pupils first known to be eligible for free school meals in the most recent January census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked-after children

Pupils who are in the care of, or provided with accommodation by, a local authority (LA) in England or Wales for at least 1 day. Allocations will be provisionally based on the children looked-after data return in March of the previous year, and then confirmed in December of the current year based on the children looked-after data return in March of the current year.

5.3 Post looked-after children
