Dear Parents and Carers

I am disappointed to share with you that we have had a large number of **NO SHOWS** at our online **LEARNING CONVERSATIONS** this week. Not only does this waste our teachers' precious time, it is also an opportunity lost for parents to find out how well their child has settled and an opportunity to share any concerns they may have. Google Meets is a simple format and can be clicked on and used on a mobile phone to join. Teachers will try to contact those who did not turn up and have not contacted us, but please understand that this will not be until after half term and will probably be a phone call.

Once again **PALS** have got a **LIMITED OFFER** of **CINDERELLA PANTOMIME** tickets at the MK Theatre on **SATURDAY JANUARY 6th** at 7pm. These tickets would usually range between £28-£31.50 but they have secured them for **£20 per ticket**. Grab a bargain and support our school. Please see the details further on in the newsletter.

I am pleased to inform you that our **RECEPTION CLASSES** will be featured in the First Class Picture Special in the **MK CITIZEN** Extra on Thursday November 9th. Parents and carers should also have received a letter explaining how they can purchase their own copy of the photo if they wish.

This Christmas at **WADDESdon MANOR**, you can be spirited away to a magical wonderland as classic tales come to life with new decorations in the house and dazzling new light displays outside enchant and delight. I am pleased to say that we have once again been supporting the children making **CHRISTMAS LANTERNS** which will be displayed as part of this. A huge thanks to Mr Roe and Mrs Baker for completing this. Please see some pictures of their efforts further on in this newsletter.

Long Meadow School is pleased to be supporting the University of Oxford's '**SAVE OUR STORIES**' campaign to preserve items and memories held by families across the UK and Commonwealth related to the Second World War. Miss Kidd's brother, Dr Matt Kidd, is involved in leading this project so it would be fantastic if any families can support this campaign. Please take some time to work with your child around Remembrance Weekend (11th-12th November) on finding a story about your family's experiences during the war and send it in to the online archive. You can find out more by visiting [Their Finest Hour](#) and clicking 'Share Your Story.' Many thanks if you are able to participate.

IS YOUR CHILD TOO ILL FOR SCHOOL? It can be tricky deciding whether or not to keep your child off school, nursery or playgroup when they're unwell. There are government guidelines for schools about managing specific infectious diseases at GOV.UK. These say when children should be kept off school and when they shouldn't. If you do keep your child at home, it's important to phone the school on the first day. Let us know that your child won't be in and give us the reason. If your child is well enough to go to school but has an infection that could be passed on, such as a cold sore or head lice, let their teacher know. Please follow the advice further on in this newsletter for information on other illnesses.

SAVE THE DATES: BISCUITS AND BOOKS - 1st November / **INDIVIDUAL SCHOOL PHOTOS** - 2nd November / **STAY AND PLAY** - first session 8th November / **PALS DISCO** - 9th November / **ROBIN HOOD PANTO** - 13th November / **CHILDREN IN NEED** - 17th November.

Finally this week, **PALS** would like to thank you for all your support with the **BAG2SCHOOL** event this week and a huge thank you to Mr Bourke as well for creating an excellent tarpaulin shelter for them! They are pleased to announce that they raised **£288.50**. Thank you all so much.

I hope that you all have a wonderful half term break and are able to spend time as a family - don't forget to make use of all of our wonderful outdoor and green spaces in MK if you can.

Stay Safe.

LMS Well-being

YoungMinds

We know parenting isn't always easy. Although it's often amazing and rewarding to watch your children grow up, and to help them learn to be independent, it can also be really hard work. It can feel especially hard if your child's mood and behaviour seem different and you're not sure why, or what you can do to help. But you are not alone. YoungMinds have lots of practical advice and tips on supporting your child - from how to encourage your child to open up about their feelings to dealing with mental health services. No matter what you and your child are going through, things can get better. Their A-Z guide gives you advice on how to help your child with their feelings and behaviour, as well as mental health conditions and life events. They'll also show you where you can get help.

End-to-End Encryption and Children - IWF

End-to-End Encryption, previously the domain of spies and those seeking to exist below the observation of the authorities, is now becoming a must-have feature in the e-communication world. The inexorable rise of e-communication fuelled by the increased sophistication of mobile phones, and communication apps such as WhatsApp and the direct message feature of Instagram, has made image sharing an essential of telephonic dialogue. The commencement of End-to-End Encryption as a feature of all messaging apps owes much to the screen capturing of private images and texts in the adult world. However the question remains, is the enhancement of security via this level of encryption an advantage or disadvantage to child protection? The Internet Watch Foundation (IWF), has recently published an article on this topic. Please follow the link below to find out more:

Is my child too ill for school?

Coughs and colds

It's fine to send your child to school with a minor cough or common cold. But if they have a fever, keep them off school until the fever goes.

High temperature

If your child has a high temperature, keep them off school until it goes away.

Chickenpox

If your child has chickenpox, keep them off school until all the spots have crusted over. This is usually about 5 days after the spots first appeared.

Cold sores

There's no need to keep your child off school if they have a cold sore. Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels.

Conjunctivitis

You don't need to keep your child away from school if they have conjunctivitis. Do get advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.

COVID-19 What to do if your child has tested positive

Your child is no longer required to do a COVID-19 rapid lateral flow test if they have symptoms. But if your child has tested positive for COVID-19, they should try to stay at home and avoid contact with other people for 3 days after the day they took the test.

Ear infection

If your child has an ear infection and a high temperature or severe earache, keep them off school until they're feeling better or their high temperature goes away.

Hand, foot and mouth disease

If your child has hand, foot and mouth disease but seems well enough to go to school, there's no need to keep them off.

Head lice and nits

There's no need to keep your child off school if they have head lice. You can treat head lice and nits without seeing a GP.

Impetigo

If your child has impetigo, they'll need treatment from a GP, often with antibiotics. Keep them off school until all the sores have crusted over and healed, or for 48 hours after they start antibiotic treatment.

Ringworm

If your child has ringworm, see your pharmacist unless it's on their scalp, in which case you should see a GP. It's fine for your child to go to school once they have started treatment.

Scarlet fever

If your child has scarlet fever, they'll need treatment with antibiotics from a GP. Otherwise they'll be infectious for 2 to 3 weeks. Your child can go back to school 24 hours after starting antibiotics.

Slapped cheek syndrome (fifth disease)

You don't need to keep your child off school if they have slapped cheek syndrome because, once the rash appears, they're no longer infectious. But let the school know if you think your child has slapped cheek syndrome.

Sore throat

You can still send your child to school if they have a sore throat. But if they also have a high temperature, they should stay at home until it goes away.

Threadworms

You don't need to keep your child off school if they have threadworms. Speak to your pharmacist, who can recommend a treatment.

Vomiting and diarrhoea

Children with diarrhoea or vomiting should stay away from school until they have not been sick or had diarrhoea for at least 24 hours

Are you concerned about a pupil?

Safeguarding is everyone's responsibility.

You do not need to wait until you have proof there is a safeguarding concern to step in. If you have a concern, please raise it as this could be the first step to protecting a child.

Staying silent because you do not have proof
may leave a child exposed to danger.

Remember it is not up to you to decide whether a child has been abused **BUT** it is up to you to report concerns so that appropriate action can be taken.

You must share your concerns without delay.

**Concerns are to be reported to the

- If more than one school is able to offer your child a place then the order of preferences is important, so ensure you list the schools in the order that you want them considered
- It's best to include your catchment school as one of your preferences, it does not need to be your first preference
- A Guide for Parents and Carers is available on our website for further guidance

- Don't assume your child will get priority just because they attend a nursery class attached to your preferred school
- Consider how you will access your school place

Moving up to secondary school in September 2024

As your child is now in Year 6 it is time for you to apply for a secondary school place for September 2024.

You can apply online and find out more information on the council's website at **Starting secondary/upper school in September 2024 | Milton Keynes City Council** (milton-keynes.gov.uk)

Please read carefully the **Guide for Parents and Carers** on our website. To help you understand the likelihood of securing a place at one of your preferred schools, you should make particular note of the 'key facts' section for each school which tells you the cut off point for places offered last year.

Make sure you read the oversubscription criteria for each school that you want to apply for as many schools are over-subscribed each year.

Details of open events for all secondary schools in Milton Keynes are also included in the guide.

Parents and carers can express a preference for four schools.

If you pay your council tax to Milton Keynes Council, apply on our website. If you pay your council tax to another local authority you must apply through that local authority even if you want to apply for a Milton Keynes school.
