PSHE at LMS

I can understand how attraction works and types of connections with others, including romantic relationships. I can talk about human reproduction.

I can respond to physical touch in ways that help me feel safe and add to my self-respect.

look at information I find online.

I can take a sceptical

I can talk about heathy habits, such as the importance of sun safety and vaccinations.

I can respond to hurtful behaviour form others and manage online safety risks. I know how to talk about the differences between people respectfully and sensitively. I can tell you about keeping money safe and making choices when using money.

I know how to find and use information online and about staying safe on the internet. I can tell you about self respect and what a personal boundary is. I can tell you about how to spot and assess safety hazards in new places.

I can tell you about what we do in school to prevent bullying from starting.

I can describe how I can keep my body healthy and the impact of poor hygiene.

I can tell you about what a good friend looks like.

I can explain how to keep clean and how I manage these for myself. I can tell you about ways to sort problems with my friends.

I can tell you what I would do to if I saw bullying happen in school.

Neverstops

I know some important jobs people in my life do and how they can help me. I can talk about the important people in my life and how they relate to me.
