

# ART - Printing Year 3

## Key

## Vocabulary

inking up	directions	rotate	raised	peeling
texture	effect	block printing	scratched	pressure

## Key Skills

- Inking up a block correctly and using a roller in different ways to make a variety of marks.
- Using the block printing process.
- Developing skills in block printing using different colours.
- Exploring designs based on William Morris's designs.

## Things to Know

## Examples

What is printing?	Making a print involves transferring an image from one surface to another.
What is a repeating print?	This printing process can result in repeated identical images over and over again
What are the different types of printing?	There are four main types of printmaking: relief, intaglio, lithography, and screen printing. Each colour in a print usually requires a separate stone, plate, block, or stencil, and any of these basic processes might be combined in the creation of a finished work.
