## Measurement

### Year 3

### Money

In Year 3, we begin to combine larger amounts of pounds and pence. It is important to be able to convert pounds and pence so that we can combine different values of coins when using money to pay for items. We will also use our skills of addition and subtraction to add and subtract amounts of money.

#### Builds from Year 2:

Recognise £ and p.  
Select coins to make a specific value.  
Equal amounts.  
Finding totals.  
Giving change.

#### This year:

Convert pounds and pence.  
Add and subtract money.  
Giving change.

#### Leads to Year 4:

Writing pounds and pence using decimal notation.

### Pounds & Pence

£52 and 13 pence

### Converting Pounds & Pence

120 pence  
100 pence is £1
