

Home Learning

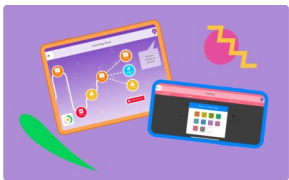

Your home learning tasks for this half term are listed below. We would like you to complete the daily activities; the other activities are optional. If you would like to share what you have done, you can use Tapestry or bring it in to show the class with your teacher's name as a reference.

Daily:

Read your reading book, or a book of your choice, and record it in your yellow reading record

Complete your doodles:
DoodleSpell, DoodleMaths,
DoodleEnglish, DoodleTables*

*Please note that you do not have to do every single one of these Doodle apps

Sticky Learning:

Choose a hot or cold climate. (e.g South Africa for a hot climate/ Canada for a cold climate.) Write a diary entry for a day in that country.

- What did you see?
- What did you wear?
- What were the houses like?
- What animals did you see?

Outdoor Learning:

Using chalk, practise your spellings outside:

**come some one once friend school they there said where were
was here you your are our**

Well-being:

Make a friendship bracelet using some string, wool, beads and other small items.

Make a 'Fab File' to collect work and pictures that you are proud of and certificates that celebrate your achievements. You could then look at it whenever you might be feeling low.

Learn how to bake or cook something. Could you make a healthy treat or a new meal?
