* It's not possible to calculate KS1 to KS2 progress measures for the 2023/24 or 2024/25 academic years. There is no KS1 baseline available to calculate primary progress measures for these years because of Covid-19 disruption.

** For the 2023/24 academic year, you don't have to publish progress scores in reading, writing or maths, as the Secretary of State is not publishing these.
