

# SPRING NEWSLETTER

## UPDATE

Spring has sprung, and what a fantastic term it has been! We kicked things off in style with the Cinderella Panto, bringing laughter and fun. But that was just the beginning! This term we've been really busy raising funds, building a one-stop-shop website for all things PALMS, in a bid to making it easier for everyone to see what's coming up and improve communication. Here's a quick round up of events:

- **Panto profit** - The Cinderella show not only filled us with joy, it raised over £590.
- **Movies & Munchies** - A cosy night in school with a film and tasty treats. Raising a whopping £1171.49
- **School Disco** - Our little movers and groovers helped us dance our way to over £1000 in profit.
- **Smartie Tube Challenge** - A new event for us, but who knew those little tubes could hold so much generosity. Raising over £130
- **Cookie Day** - Who can resist a sweet treat? Not us! We raised over £160, even if there weren't any sneaky left overs for us.

Every single penny goes straight back into enriching the school experience for our children.

# PALMS, where parents and teachers join forces to sprinkle a little extra magic onto the school experience at Long Meadow!

At PALMS (Parents/Friends at Long Meadow School), we're not just a charity, we're a community-driven powerhouse dedicated to making school life unforgettable for our little learners.

Over the past few years, our PALMS team has been on a mission to turn every classroom into a playground for imagination and learning. With your support, we've funded exciting school trips, upgraded our tech game with shiny new computers and interactive whiteboards, jazzed up our playgrounds with colorful markings, and even made sure every leaver walks away with a special memento of their time here. Plus, who could forget the epic Easter Trail?
