

LONG MEADOW SCHOOL

PUPIL ATTENDANCE POLICY

Date of last review:	September 2025
Date of next review:	September 2028
Type of policy:	Non-Statutory
Frequency of review:	Every 3 years
Governor committee:	Governing Body

1. Introduction

Regular school attendance is essential if a child is to make the most of the educational opportunities available to them. Long Meadow School takes seriously its responsibility to monitor and promote the regular attendance of all its pupils in line with the 1996 Education Act. It acknowledges that irregular attendance seriously disrupts continuity of learning and undermines educational progress, leading to underachievement's and attainment, impeding a child's ability to develop friendships.

2. Aims:

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

Legislation and guidance

This policy is based on the DfE's statutory guidance on [Working together to improve school attendance](#) and [School attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Maintained schools: Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- The [Equality Act 2010](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)
- [Ofsted's 2025 framework toolkit](#)

3.2 The headteacher

The headteacher is responsible for:

- The implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors

- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels

3.3 The designated senior leader responsible for attendance

The designated senior leader (also known as the 'senior attendance champion') is responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff

The designated senior leader responsible for attendance is Mr Gray and can be contacted via the school.

3.4 The attendance officer

The school attendance officer is responsible for:

- Monitoring and analysing attendance data (see section 7)
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the headteacher
- Working with education welfare officers to tackle persistent absence
- Advising the headteacher/[role] (authorised by the headteacher) when to issue fixed-penalty notices

The attendance officer is Mrs Seaton and can be contacted via email through the School Office

3.5 Class teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office on the same day].

3.6 School office staff

School office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the Attendance Officer where appropriate, in order to provide them with more detailed support on attendance

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person

- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call or email the(office@long-meadow.milton-keynes.sch.uk) the school by **9AM** to report their child's absence be on the day of the absence and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting the Attendance Officer who can be contacted via the school office

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time
-

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not

- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 08:40 am and ends at 3:15pm.

Pupils must arrive in school by 08.50am on each school day.

The register for the first session will be taken at 08:50 am and will be kept open until 9:05. The register for the second session will be taken at 1.00pm and will be kept open until 1.05pm

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 09:00am, or as soon as practically possible, by calling the school office, who can be contacted via telephone and/or email. (01908 508678 or attendance@longmeadow.milton-keynes.sch.uk)

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment. This can be completed through the school office where a record of the appointment etc should be shown

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

Arriving late causes disruption to the school, teachers and pupils.

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

On the 4th occasion that a child arrives late we will write to parents and express our concerns. If it does not improve, parents will be invited to attend a meeting at the school with the attendance officer. Fixed penalty notices can be issued when a child has been recorded late on 6 occasions in a 12-week period. A firm line is taken on late arrivals.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may complete a home visit or request a welfare visit from the Police
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer from the LA
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: the school will issue a notice to improve, penalty notice or other legal intervention (see section 5.2 below), as appropriate

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels at half termly intervals

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances
- Rare and unexpected circumstances which are unlikely to reoccur. Examples include:
 - Medical emergencies
 - Family emergencies (e.g. death of a relative)

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The DfE does not consider a need or desire for a holiday or other absence for the purpose of leisure and recreation to be an exceptional circumstance.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks] before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence.

5.2 Other reasons for authorised absence

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart for religious observance
- Parent(s) travelling for occupational purposes – a pupil is a mobile child if their parent is travelling in the course of their trade or business and the pupil is travelling with them. In these circumstances a pupil will be considered as a mobile child, provided they are of compulsory school age and have no fixed abode and whose parent is in a trade or business that requires them to travel from place to place
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

5.3 Absences from the school site (which are not classified as absences)

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings. These are not classified as absences. Reasons include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

6. Strategies for promoting attendance

We want our pupils to succeed and develop their skills. To do this, pupils need to avoid missing lessons and days of school as much as possible. As a school, we want to reward high attendance and not just penalise pupils for poor attendance. Long Meadow School will always seek to understand any potential barriers and work with families to improve attendance before sanctions are sought.

6.1 Strategies for promoting attendance

At Long Meadow School we promote attendance by:

- Offering a clear vision for attendance, underpinned by high expectations and core values, which are communicated to and understood by staff, pupils and families.
- Making sure staff, pupils and families understand that absence from school is a potential safeguarding risk and understand their role in keeping children safe.
- Expecting good attendance and punctuality from all members of the school community and making sure that pupils understand its importance.
- Conveying clear messages about how absence affects attainment, wellbeing and wider outcomes.
- Empowering all staff to take responsibility for attendance and to understand barriers to attendance.

- Building respectful relationships with staff, pupils, families and other stakeholders in order to secure their trust and engagement.
- Making sure there is a welcoming and positive culture across the school.
- Liaising with other agencies working with pupils and their families to support attendance, for example, where a young person has a social worker or is otherwise vulnerable.
- Pupil attendance figures will be published with the annual academic reports
- Best class attendance percentage each week in the school newsletter and displayed on the attendance display board
- Modelling respectful relationships and appropriate communication for staff and pupils. This will help relationships between pupils and staff to reflect a positive and respectful culture. All staff members should:
 - treat pupils with dignity, build relationships rooted in mutual respect and observe proper boundaries
 - take into consideration the vulnerability of some pupils and the ways in which this might contribute to absence, handling confidential information sensitively
 - understand the importance of school as a place of safety where pupils can enjoy trusted relationships with staff and pupils particularly for children with a social worker and those who have experienced adversity
 - communicate effectively with families regarding pupils' attendance and well-being

6.2 Supporting pupils with poor attendance

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

6.3 Attendance contract

We use attendance contracts as a form of attendance support.

An attendance contract is a formal written agreement between a parent and the school to address irregular attendance at school. An attendance contract is not legally binding, but it provides a more formal route where previous support has not worked or would not have been appropriate.

Parents cannot be compelled to enter an attendance contract, and the school cannot agree an attendance contract in a parent's absence.

Where an attendance contract would be an appropriate form of support, the school will arrange a meeting with the parent (and pupil if they are old enough to understand) to discuss how we can work in partnership to improve the pupil's attendance.

Where parents fail to comply with an agreed attendance contract, the school may seek an alternative course of action. In the first instance, this will include discussions with the parents to seek explanations and determine whether the attendance contract remains useful. Where there is further non-compliance following these discussions, the school may take further action.

6.4 Notice to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

A notice to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

It will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)

- Details of the support provided so far
- Opportunities for further support or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued, or prosecution considered, if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6.5 Penalty notices

The headteacher (or a deputy or assistant headteacher, authorised by the headteacher), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, we will check with the local authority before doing so, and send the local authority a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

Long Meadow School will work closely with families to identify complex barriers and build a picture of what is happening on a case by case basis.

- Contact parents to discuss issues
- Used a stepped approach to support
- Arrange a meeting to create a plan of support for the child, ensuring regular review is built in
- Engage with Early Help or other support mechanisms to increase support step by step
- Consider the EBSA pathway where appropriate
- Take child views into consideration
- Consider part time timetables where appropriate and report this to the local authority

7.2 Pupils absent due to mental or physical ill health or SEND

- As above for complex barriers but also offering mental health support where possible or making referrals to CAMHs.
- The school will support with home learning and home visits and instigate the MK policy for children who are too unwell to attend school (for either physical or mental health reasons).
- Regular check ins to ensure the child is safe and to maintain a relationship with school staff.
- Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils absent due to other barriers to attendance

Part of Ofsted's criteria for 'expected standard' for attendance and behaviour says that any reasonable adjustments and/or interventions should be timely and appropriate, well-chosen and targeted. LMS will use these where possible and in particular with the following groups of children that;

- Have SEND
- Are disadvantaged
- Are already known (or previously known) to children's social care
- Have other barriers to attendance (e.g. young carers)

7.4 Pupils returning to school after a lengthy or unavoidable period of absence

- Long Meadow School will meet with parents to discuss a reintegration strategy and what would work best for the child.
- Create a timetable of reintegration (phased return) that builds gradually over time.
- Review progress regularly to check the child is resettling well.
- Support the child with their reintegration with a trusted adult where possible.
- Ensure there is a health care support plan if this is the reason for the absence

7.5 Prolonged absence for children in the EYFS

In cases of prolonged absence, or when a child is absent without notification, we will attempt to contact the child's parents and alternative emergency contacts.

When deciding whether a child's absence should be considered prolonged, we will consider the:

- Patterns and trends in the child's absences and their personal circumstances
- Vulnerability of the child and their parents, as well as the circumstances of their home life

We will also implement our safeguarding procedures (see our child protection/safeguarding policy on the school website) and refer any concerns to local children's social care and/or request a police welfare check.

8. Attendance monitoring

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence

- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)
- Use a stepped approach to improve attendance by supporting families

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum 3 years by the Headteacher. At every review, the policy will be approved by the full governing board.

10. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
